

the house

Molino Bajo, for 200 years the centre of the olive business in Melegis and reportedly the producer of the finest olive oil in the province of Granada, is a converted olive mill that offers a most unusual and luxurious holiday retreat.

Renovated and furnished to the highest standard with a consistent Moorish theme, the house has retained many of the original fittings from its milling past, which make unusual features throughout. Interesting and innovative design ideas have been used to create both comfortable and stylish areas for relaxation, whilst also providing vast entertaining, dining and outdoor spaces. The house comfortably sleeps 10 adults, with 5 large bedrooms (3 double and 2 twin rooms), and 3 large bathrooms.

Complete with ten metre swimming pool, large sun terrace and an outdoor dining area with barbecue, Molino Bajo offers a group of friends or a large family a truly memorable holiday. You can enjoy a round of golf, go skiing, visit the historical city of Granada, or just relax in the sun, all in the same week.

the region

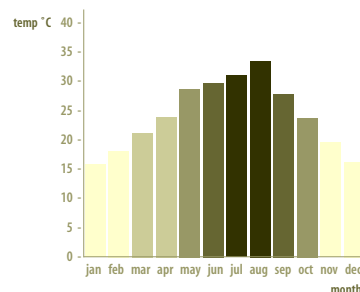

Melegis is a small village in the stunning and much undiscovered Lecrin Valley; surrounded by breathtaking mountain scenery in the background and citrus groves in the foreground, the location is truly spectacular, with a definite sensation of seclusion and privacy, yet vast open space. The valley offers many walks and horse riding for those wishing to explore the unspoilt Andalusian countryside.

Melegis offers 2 bars/restaurants within a 2 minute walk from the house, and a decent supermarket 5 minutes drive away in Lecrin. The valley is situated halfway between Granada (30 km – 20 mins drive) and the coast (Salobrena 35k – 35 mins drive). The nearest international airport is Malaga, roughly 1 hour drive, whilst there is a small domestic airport at Granada.

prices

Prices for renting the house are in Pounds Sterling, calculated on a weekly basis, and include once-weekly cleaning costs and heating, with daily cleaning available on request. Towels and bed-linen are also provided. Rentals run from Saturday to Saturday, and weekend breaks can be arranged at the discretion of the owner.

Note that since the pool is not heated, it is not available between mid-October and mid-April. Please also note that the property may not be suitable for very young children, due to unguarded pool access.
